

**NOTICE OF CALL FOR EXPRESSIONS OF INTEREST KSV/017 • 16 145****Title: Feasibility Study on long term solutions for managing and operating the Kosovo Health Information System**

Maximum budget: 250 000 EUR – performance period of 4 months

The Luxembourg Agency for Development Cooperation (LuxDev) launches a Call for expressions of interest for the acquisition of services for a Feasibility Study on long term solution for managing and operating the Kosovo Health Information System on behalf of Project KSV/017 receiving financial support from the Governments of the Republic of Kosovo and the Grand Duchy of Luxembourg.

Services providers that are invited to express their interest to offer the services mentioned above are all legally established companies governed by private law (excluding non-governmental organisations, not-for-profit organisations and public operators) and specialised in conducting feasibility studies on information systems and on private and public partnerships (PPP).

Indicatively, services providers will have to demonstrate their technical capacity and experience in operating, developing and maintaining information systems.

The start of the contract is foreseen for July 2016 and for duration of 4 months. Services providers must be available for the entire period foreseen and willing to intervene in Kosovo. The maximum budget available for this contract is estimated at 250 000 EUR (all taxes excluded).

Interested services providers are invited to submit sufficient documentation to respond to the selection criteria. The dossier, including the selection criteria and the application form is available on request at the address given below.

The shortlist of candidates invited to submit a full offer will be established of minimum three (3) and maximum eight (8) candidates evaluated as qualified and ranked if necessary against the selection criteria.

Expressions of interest, exclusively drawn up in English, must reach the following address by email no later than **27.05.2016 at 12:00** (local time):
